Email: Dental.suitemk@nhs.net

At Dental Suite we have been treating patients for over 15 years under our NHS Minor Oral Surgery Contract. We hope you will continue to use our service provided by our Oral Surgeons James Gallagher, Omar Shadid & Mustafa Zahran and Sedationist, Tushar Sharma.

During the Covid19 pandemic, we have been working hard to treat patients on our MOS Referral waiting list and are pleased to let you know, for new referrals, we are now able to offer your patients assessment appointments within a 3-4 week time frame. Appointments are available on Tuesdays, Wednesdays and Saturdays.

**Mr James Gallagher Consultant Oral and Maxillofacial Surgeon BDS (Lond), MB, BS (Lond). MRCS(Eng). FDSRCS (Eng). FFDRCSI, FRCS (OMFS) GDC No. 64173**

Area of expertise: Oral Surgery, Oral and Maxillofacial Surgery in General, Head and Neck Skin Cancer Surgery, Orthognathic Facial Deformity Surgery, Facial Trauma, Oral Medicine, Management of Facial Pain. Former Chair of the Clinical Effectiveness Subcommittee of the British Association of Oral and Maxillofacial Surgeons, Former Course Convenor for the Emergency Skills Course in Oral and Maxillofacial Surgery, Royal College of Surgeons of England Former Chair of the Managed Clinical Network for Oral Surgery, South Central Midlands, NHS England / NHS Improvement Former Training Programme Director for Dental Core Training, East Midlands, for Health Education England, Midlands and East.

**Mr Omar Shadid. Consultant Oral Surgeon, Dental Implant Surgeon BDS, MSc (oral surgery), MFDS RCS (Eng), FFD RCSI (OSOM). GDC No. 153063**

Mr Shadid is a fully accredited Specialist Oral Surgeon. He completed his undergraduate dental qualification in 1999, obtaining his Master degree in Oral Surgery in 2002. Mr Shadid is currently working as a Consultant Oral Surgeon at Bedford Hospital NHS Trust. He has immense experience and special interest in various aspects of Oral Surgery, Dental Implantology, Maxillofacial Trauma, and Conscious Sedation. He is a member and fellow of both the Royal College of surgeons of England & Ireland, and is a GDC Registered Specialist in Oral Surgery. He is also a member of the British Association of Oral Surgeons, British Dental Association, and Society for Advancement of Anaesthesia in Dentistry.

**Mr. Mustafa Zahran. GDC No. 171297**

Mustafa graduated from the University of Jordon in 2000, and whilst working in general practice for 2 years, developed an interest in Oral Surgery and moved to England to further his training in Maxillo Facial Surgery. Mustafa worked for 5 years in Hull-Derby-Northampton and is currently a specialist dentist in Oral and Maxillo Facial Surgery at Northampton General Hospital. Mustafa enjoys all aspects of Dentistry and plans to develop his career in Dental Implantology.

**Dr. Tushar Kant Sharma GDC No. 156819**

BDS, MDS, PG Conscious Sedation and Pain management (UCL), Council member ADA (Association of Dental Anaesthetists), IACSD accredited Sedation mentor. SAAD certified. Tushar is qualified as a sedationist from UCL in 2013 and since then, has travelled across the UK, providing sedation services to various NHS and Private dental practices. As an advanced sedation practitioner, Tushar provides a bespoke sedation service to each patient based on their medical health, level of anxiety, personality, and complexity of the procedure and convenience of the dentist/surgeon. His expertise in various sedation techniques, pain management & behaviour modification procedures help the patients feel calm and relaxed.
